Dear EJ team,

Our Gala was last night, and it was a beautiful and successful evening!

Thanks to the entire EJ team for a flawless presentation. The fact that there were no paper journals scattered on the floor was a sight to behold!

Bill was a lovely person to work with; I don't believe he ever said no to any request I had... and in event planning, things can change on a dime and requests are aplenty! His ease and graciousness was a welcome respite when we spoke, and I am grateful to him for his generosity of spirit and flexibility.

Please send a final invoice to me, so I can make our final payment.

Again, my deepest thanks for a fantastic job. I have already recommended you far and wide!

All best,

Susan

Selling ads is all I CAN do at this point. We are technically sold out of all tickets, but are still taking General admission tickets till next Friday or we sell 200, whichever comes first.

Bill has been a dream to work with - and we have NOT been easy!

Best, Jean

Just want to update everyone that our event was wonderfully successful, with Event Journal being part of it! The moving logos and interesting slide transitions coupled with the colorful photos made for a rich and sophisticated presentation. The university looked great and the moving logos caught our sponsor's attention which made them proud to be one of our supporters.

Kudos and thank you to everyone for getting all ready on time and going that extra inch. We know quite well how new executions and last minute requests create havoc so we appreciate all the extra time and effort you put in to make our journal "happen". A special thank you to Bill – your patience and efficiency is remarkable.

A hearty Thank You from all of the AFHU team, your partner in crime.

Thanks so much Deborah. We loved using the site. It was a wonderful way to get the word out. While most people reserved the traditional way with the response card, the site was a really useful marketing tool in that we were able to share so much information at once. We had 300 people and raised over \$110,000!

Many thanks to your staff for all their accommodations. Bill has the patience of a saint. I know we had a lot of back and forth and we are most appreciative. I will certainly share our positive experience with Event Journal with any and all who will listen!

Although ELEM had previously worked with Event Journal to prepare for past Galas, it was my first time as the new Executive Director. I am delighted to share that your entire team especially the staff leaders with whom we had significant interface, i.e. Deborah Hudak and the unflappable Bill Frank were extraordinary partners in our success. We received tremendous cooperation and support and a quick turnaround time for answers to our questions.
